Re: Bankruptcy Case No. 08-1789 (BRL)

I disagree with ^{your} ~~the~~ balance.
I opened the account with \$60,000.00,
and I never withdrew any money
from my account.

If you say I have withdrawn
money please send me copies
with proof of the checks that
you said were withdrawn.

Please send me copies of the following:

- ① The request for any
withdrawals I may have made;
- ② Copies of the checks, the front
and back of the checks you say
I withdrew.

I can not appear in court for a
hearing. I am 92 years old, and
I am handicapped. I use a wheelchair,
or a walker. I also have
macular-degeneration.

Is there any other way to look
~~over~~ into this matter. Thank you,
